Sept 18, 2018

Greetings:

Your band is officially invited to participate in the National Association of Military Marching Band's annual marching contest to be held on Saturday, November 3, 2018 in Homer Bryce Stadium, at Stephen F. Austin University in Nacogdoches, Texas.

You will find all necessary contest forms on this website. Please download and complete these forms and return them by mail at your earliest convenience. Contest entry deadline is Thursday, October 25, 2018.

Remember, you must be a NAMMB member to participate in the contest. If you have already paid your membership fee either at TBA convention, the fall meeting, or through the mail, our records will reflect it and you need not return that form.

Please take time to fill out the PA Announcement forms and return it with your Contest Entry forms. The PA Announcement form will be used to announce your band at contest.

Also, please enclose a "school check" and please note the check number in the appropriate space on the entry form. Your payment includes all entry fees as well as a video of your individual band's performance.

Official **NAMMB patches** will be available at \$5.00 each at the contest. For large orders (10+), please order prior to contest so they can be packaged and ready for pickup during the contest. Make check payable to NAMMB for patches and entry forms. All other items must be paid directly to those companies providing their services.

Mail all materials to:
